## **Southwestern Medical Center Appoints Shawn Anderson, D.Ph., to Board of Trustees**

Southwestern Medical Center is pleased to announce the appointment of Shawn Anderson to its Board of Trustees. Shawn Anderson was raised in Lawton. He attended Lawton Public Schools and graduated from Southwestern Oklahoma State University College of Pharmacy with a degree in Pharmacy. He worked for Walgreens and Wal-Mart in Wichita Falls, Texas from 1996 to 2000. In February 2000, Anderson opened Country Mart Pharmacy inside the Country Mart Grocery store in Lawton. In June 2007, he opened Anderson Pharmacy & Accents at 5366 NW Cache Road with partner Gary Woodson. It is a full service pharmacy and gift store offering vaccinations, custom compounding, home accents and an old fashioned soda fountain. Shawn and his wife Christi have one son, Carter. Christi is also a pharmacist and is currently working at Anderson Pharmacy & Accents. Shawn is a member of the Oklahoma Pharmaceutical Association and Professional Compounding Centers of America. "Southwestern Medical Center has always been a special place and served our community well. I hope my presence on the Board can help to continue to move the hospital in a positive direction for our community."

Anderson joins the Board of Trustees, Don L. Smith, Chairman of the Board; Dr. Dan Criswell, Chief of Staff; Dr. Stephen Snell, Vice Chief of Staff; Dr. Penny Hoover, Past Chief of Staff; Kenneth Kleypas, and Virginia Brewczynski.

## **About Southwestern Medical Center**

Southwestern Medical Center, a member of Capella Healthcare's family of hospitals, is a 199-bed hospital serving Comanche County and Southwest Oklahoma. Since 1957, SWMC has been accredited by the Joint Commission. SWMC is also accredited by CARF for our rehabilitation services. SWMC is a winner of the 2006 HealthStream Research Excellence through Insight Award for Outpatient Satisfaction and is rated by HealthGrades as the only 5-star rated hospital in Southern Oklahoma for stroke care in 2007 and 2008. Southwestern Medical Center has a long history of serving the community with quality care and the latest technology.
